Department of Transportation

Division of Project Support

Project Development Branch
Standards and Specifications Unit
4201 East Arkansas Ave., 4th Floor
Denver, CO 80222-3406

DATE: July 3, 2017
TO: Colorado Counties and Municipalities

NL

FROM: Neil Lacey, Project Development Branch
SUBJECT: Standard Specifications for Road and Bridge Construction, 2017

The Department has published the 2017 edition of the *Standard Specifications for Road and Bridge Construction*. This edition supersedes the 2011 edition. Additional information on the 2017 Standard Specifications, including a list of significant changes, can be found by accessing the construction specifications page on the Department's web site: <http://www.coloradodot.info/business/designsupport>.

You may wish to use these specifications for your road and street construction program. Please be aware that if you reference these specifications for your contract work, you will be responsible for furnishing your prospective bidders copies of the specifications along with any addenda that may affect the contract.

Copies of the printed Standard Specification Book may be purchased from CDOT's Visual Communication Center, [(303) 757-9313] [<http://www.coloradodot.info/business/publications-for-purchase.html>]. The cost is \$25.00 for each specification book plus handling.

Printed Standard Specification books will be available until the end of Calendar year 2017. The 2017 Standard Specifications will be electronically accessible on CDOT's web site.

Please provide a street mailing address when ordering by mail. Make checks payable to the "Colorado Department of Transportation". Orders are to be directed to:

Colorado Department of Transportation
Visual Communications Center
4201 East Arkansas Avenue
Denver, CO 80222

The books are \$25.00 each with no handling charges when purchased in person at the Visual Communication Center.
